## Report of the Forest Fire Warden and Your District Chief

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.

2. Carry your rubbish to the public dump — its safer. A neglected backyard incinerator causes many fires.

3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.

4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

## Annual Report of the Superintendent of Schools

To the Board of Education and Citizens of the Hill School District:

I herewith submit my annual report as your Superintendent of Schools.

It is a pleasure to be able to report that our fine teaching staff at the Jennie Blake School has not changed this past year. Miss Patricia LaPlante, Mrs. Grace Colby and Mr. Kenneth Hazen, Miss Moynihan and Mrs. Greene are all continuing their teaching and related assignments in the interest of our Hill children.

The pleasant atmosphere at the school that I referred to in last years report continues in evidence this year.

We are continuing our emphasis on the fundamentals and feel that our pupils are receiving a sound basic education.

The budget this year is up \$4,501.99 over last year. This is mainly due to tuition cost which accounts for \$3,294.00 of the increase. The present sixth grade in Hill is the largest class in our school and will be attending Franklin and Bristol next year.

At this time I would like to thank the Board of Education and the Citizens of Hill for their help and support.

Respectfully submitted,

HERMAN N. DONEGAN

Superintendent of Schools
